Sleeping Bear Dunes ~ Petosky ~ Glen Arbor ~ Harbor Springs ~ Mackinac Island

I am totally fired up for our trip next week. Please double check the enclosed updated itinerary and room list. This is the first time my *Up North* trips have visited Sleeping Bear Dunes and Wilderness State Park. They are both wonderful examples of *PURE MICHIGAN* and I know that you will enjoy them.

Friday is a big day for us and I am hoping that we can leave by 7:00AM sharp. Please meet downtown at the [Amtrak Station](#) public parking area. There are restrooms at the Shell station and my breakfast hangout, The Railroad Cafe just behind the Shell station.

Right now I am planning on taking 131 if there are not too many construction delays. Our rock star driver Jeff Bigler will check road conditions. I will have complete packets for everyone on the bus.

FIRE UP FOR A GREAT MICHIGAN ADVENTURE!
