Following the hike we will have a picnic lunch on the beautiful shores of the Straits of Mackinac. After lunch we will cross the spectacular Mackinac Bridge and enjoy our scenic drive along Lake Michigan to the charming bay city of [Munising](#).

On Saturday morning we will take the 15 mile drive to the remote [Chapel Falls](#) trail head and do a stunning hike that includes numerous waterfalls and lake shore viewing points. Hike distances will range from 3.2 to 15.0 miles. Following the hikes we will rehydrate and enjoy fresh smoked fish at my *secret* spot high above Munising Bay before getting ready for dinner at the wonderful [Brownstone Inn](#) on Lake Superior.

On Sunday morning we will take the 2 ½ hour drive back to the ferry docks in Mackinac City and board the ferry for Mackinac Island. After checking into the beautiful [Lakeview Hotel](#) in the heart of the village hikers will have their choice of several lovely [hikes on the Island](#), including Ron's Inner Mackinac hike and the Island lakefront loop. The real magic of the Island will set in when all the *Fudgies* leave in late afternoon and we enjoy the serene beauty of this Island. All day Monday can be spent enjoying the island hiking, biking, kayaking, shopping, dining and relaxing.

On Tuesday morning we will ferry back to the motor coach and head for Petoskey for lunch and a little shopping in the [Gas Light district](#) before we head home to arrive around 7:30PM.
