— DIRECTIONS —

The *Aloha Hang Loose Fantasy Run & Walk* starts and finishes at **St. Paul's Episcopal Fellowship Hall** in Dowagiac. Their address is **306 Courtland, Dowagiac, MI 49047**. Once in Dowagiac follow M-51/ M-62 through town to Green Street (two blocks east of the hospital) and turn north. Go one block to Courtland, turn east and go ½ block to the church. If the weather allows we will have the courses include a portion of the beautiful trails surrounding Dowagiac. In case of a tsunami we will use the old *Run for Hungry Children* road course.

The potluck following the race is optional, of course, but we always have lots of **great food, fellowship and fun!**

If you are unable to attend but wish to donate to the Haitian Fund please send a check payable to **St. Paul's-Dowagiac** with *Haitian Fund* on memo line and mailed to the address above.

The Spirit of Aloha

During my first trip to the Hawaiian Island many years ago I was hiking with young son Jeff along the Black Sand beach. We stopped to rest at a bench and out of nowhere a Hawaiian woman appeared and gave Jeff a bird figure woven of a reed-like plant and then she simply walked away. This was my first real experience with the spirit of *Aloha*.

***Aloha* is the most beautiful word in the Hawaiian language.** It means many things depending on how it is said. Most visitors to the Islands think that it means hello, good-bye, love or friendship. However, the real meaning goes much farther. Perhaps the best way to describe the meaning of *Aloha* is listed below:

Aloha means welcome, what I have you may have, share with me.

Loko maikai means what I say comes from my heart. I have good intentions.

Olu olu means happy, happy doing for others, a Hawaiian heritage.

Ha aba a means humility and meekness, we are happy to serve.

Aloha means love, near or far, you are always in my heart.

According to the old *Kahunas* (priests) *Aloha* literally means “Divine breath of life.” What a beautiful expression! So the next time someone tells you *Aloha*, remember what the original meaning is:

“God has breathed in us the ultimate Aloha, His Holy Spirit.” How wonderful!
