## HIKERS LABOR AT LOVE!

**LOVE CREEK:** On our challenging day complete with heat and humidity our determined hikers and marathoners ground out some excellent training miles on this beautiful course. The good news is that it was a weather *overload* and the heat and humidity won't be as tough in the Canyon or Hawaii. Great hustle by all who attended and the rangers were very pleased with our *jogpot* donation. Also, special thanks to Whitney and Thom.

**NEXT TRAINING SESSION:** Our next training session for both the Mountain Sheep and Dolphins will train at [Russ Forest County Park](#) on Sunday, August 7<sup>th</sup>.

The Mountain Sheep and the Dolphin hikers will have a lecture at **8:00AM** on map reading and hiking trail choices in Bryce and Zion parks. Then at 8:30AM hikes ranging from 5 to 23 miles will start on the trails through Russ Forest and onto the bucolic country roads.

The Dolphin Marathoners will have a lecture starting at 9:00AM on training and at 9:15AM they will have runs ranging from 10-14 miles.

**STEVE'S RUN:** Once again it was a very successful event and I appreciated the many Cairn Stone people who participated in challenging weather conditions. And special thanks to Whitney, Thom and Justin for their extra effort at the awards ceremony.
